Brad,

Ben informed me you need an email regarding our Financial Advisor's request. Our FA is Public Financial Management (PFM). The contacts for this assignment are:

Virginia Rutledge (rutledgev@pfm.com)
David Moore (moored@pfm.com)
Phone 407-648-2208

PFM has requested audited financial statements for Danfoss Turbocor Compressors, Inc. They will gladly sign a confidentiality agreement. Also, they would like contact information for the CFO.

In light of the time constraints, we are requesting this information immediately (tomorrow AM at the latest).

thanks
Alan
